Celebrating

**60** YEARS

## PRINCIPAL Alan PARADISE

### PARENTS, STUDENTS, ALUMNI, AND FANS:

I would like to welcome you to the 2013-14 school year. It is with great pride we present to you the football, band, and cheerleading programs representing the North High School Stars! Our student-athletes and coaches have spent countless hours in preparation for the upcoming season.

I want to take some time to recognize some of the coaches who spend a great deal of time with our student-athletes. Coach Chad Brown is in his inaugural year as our head varsity

football coach having served in various capacities coaching freshman, junior varsity, and varsity football teams at North High School since 2006. Coach Brown earned his B.S. Degree in Exercise Science & Sports Medicine/Athletic Training while playing football for Cal Lutheran University. He completed his teaching credential at the University of Laverne and his Master's Degree in Educational Leadership at Point Loma Nazarene. Coach Brown is supported by a high quality group of assistant coaches and he also serves as the Department Chair for Physical Education.

The North High School Band program provides the instrumental music at each of our home football games and has developed a reputation for excellence. The members of the program, under

the direction of our new band director, Mike Wawrzynski, put in numerous hours of practice time in the summer and evenings to perfect their skills for the this season. Mr. Wawrzynski is a graduate of Western Michigan University where he served as the drum major, leading a 350 member marching band.

Breanna Smith is in her second year leading our cheerleaders and you may notice that our squad has grown dramatically under her direction. The cheerleaders generate school spirit and spend many hours preparing for each season of sport. Mrs. Smith also serves as an instructional assistant at North High School.

Alan PARADISE  
Principal,  
North High School  
of Bakersfield

## ATHLETIC DIRECTOR Brian HUENS

### Welcome everyone to the 60th year of North High Athletics.

I want to thank everyone for their

support of all the student athletes that compete for North High School. I am very excited for our student athletes this season and honored to be the Athletic Director at North High. I would like to thank all of the coaches for the sacrifices they make in order for these athletes to have the best chance at success. The coaching staff at North High is one of the most dedicated in Kern

County. Lastly, I would like to challenge everyone to attend all of our athletic events and make North High the loudest and toughest place for visiting schools to play. Thank you very much and remember

Red, Grey, Stars Hey!!!

Brian HUENS,  
Director of Athletics,  
North High School  
of Bakersfield

## COACH'S CORNER

Thank you for supporting our student athletes that have dedicated so much time and effort the past spring and summer for the current football season. Each level has been working hard in the weight room and out on the practice field to have a successful season. As always, our staff appreciates the continued support and encouragement from the parents, families, administration, staff, and community as the players sacrifice to improve each week and compete. We are very excited about the large number of student

athletes we have in our football program and look forward to the rest of the 2013 season. Again, thank you for the support of North High Football.

*In celebration of our 60th anniversary the football program is dawning a throw-back decal on their helmets for the rest of the season. It is the player's and staff's way of honoring the rich history of success and tremendous tradition of North High School. It is our football programs way of paying tribute to the 60 years of players that came before us that put on the red and grey uniform and battled on the gridiron to show their pride in the school and community. Thank You to all of the alumni for setting the standard for future North High student athletes.*
